

K-Love is such a blessing to our local community, it is always a positive message, we don't have to guard our ears to make sure it's safe for our children. I truly do not know what I would do if K-Love was not available in our area we all listen to K-Love all the time that is all that my kids(4-6 yrs old)know, if we only had secular staions I guess we would listen to a lot of CD's only. This is a wonderful service provided to us by the grace of God to give us an opportunity to praise God & pray with him & others all day long, I can get in my car after having a trying day turn on K-Love and begin listening to the wonderful lyrics & things just seem to disappear or not seem of the same importance. It is a wonderful station & I am praying that you do not take it away from us but maybe try to find more powerful encouraging stations.
